

**D**reams Resorts & Spas provide a high level of luxury and ambiance for couples and couples with children in unparalleled tropical settings. Surround yourself with Unlimited-Luxury® where everything is included.

Spacious rooms and suites are filled with elegant furnishings, advanced entertainment systems and a wealth of other amenities, including private terraces or balconies with spectacular views, a mini bar which is refreshed daily, 24-hour room service and concierge assistance. Many rooms and suites include a private whirlpool.

Every Dreams Resort & Spa location boasts a pristine beach front location that includes large shimmering pools, activities for sport, leisure or pure relaxation. For the kids, there's always an Explorer's Club, where children ages 3-12 can take part in daily activities based on nature, science and exploration.

Each resort offers an array of gourmet dining options and exquisite bars serving premium brands, and when the sun goes down, there's live evening entertainment, parties and

surprises.

Dreams Resorts & Spas is proud to offer some of the most lavish and acclaimed spas to be found anywhere. Designed for individuals and couples, they feature multiple styles of hydrotherapy treatments including whirlpools, soaks, plunges, waterfalls, pressure showers and more. Specific therapies may differ from resort to resort.

We're known for our incredible individual and couples massages in our beautiful spa rooms, spa gardens or outdoor beach cabanas. We offer several styles of massage to relax tired muscles, improve circulation, reduce stress and promote a sense of well-being. Selections include Relaxing, Sport, and Aromatherapy, among others. Any of our massage services can be enjoyed in the privacy of your room or outdoors under the sun.

You'll also find state of the art saunas, steam rooms, hair and beauty salons, refreshment bars and lounges — all world class. Spend an hour. Spend all day. It's your choice — and your way.

### SIGNATURE TREATMENT:

Coffee Seduction Manicure & Pedicure. The rich power of coffee beans, coupled with the soothing effects of milk and paraffin wax leaves your hands and feet energized, supple, and soft. These are followed with a coffee cleansing, body polish and finished with a coffee body lotion massage for the feet, while a warm towel soak and five minute paraffin wax treatment restores the hands' velvety touch.
