

Sun-sational

Elmo wants to grow a sunflower. Help him plant it and take care of it. 

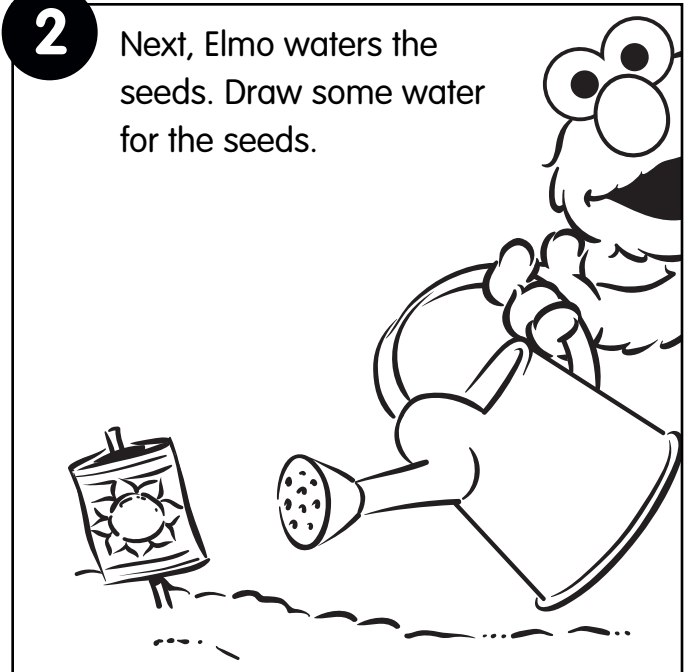

1

First, Elmo plants some seeds in the soil. Draw some seeds under the soil.

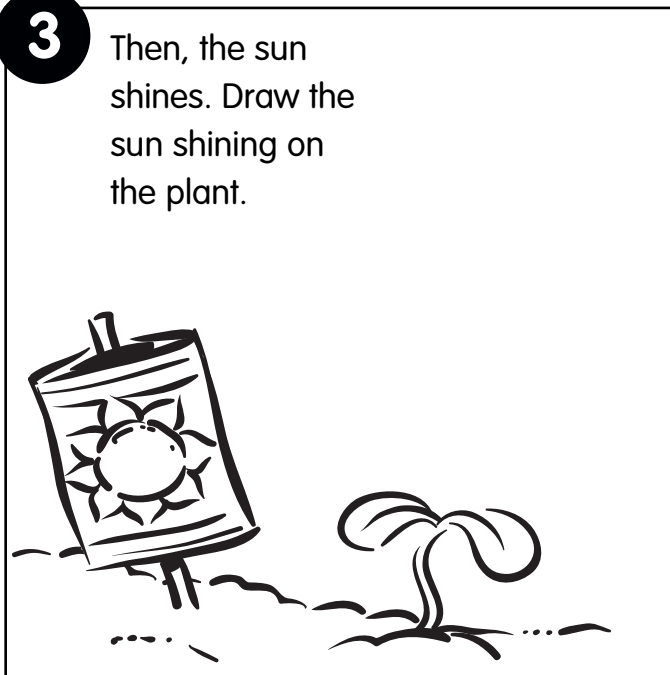

2

Next, Elmo waters the seeds. Draw some water for the seeds.

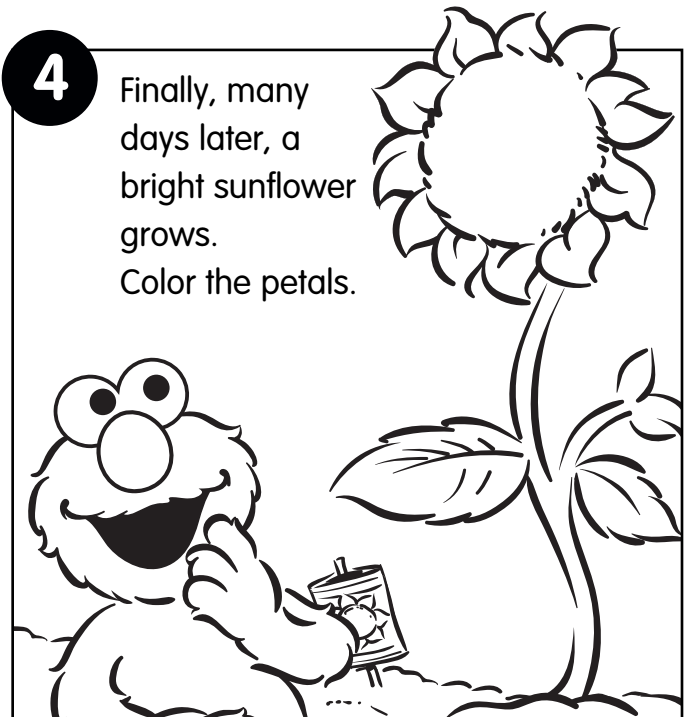

3

Then, the sun shines. Draw the sun shining on the plant.

4

Finally, many days later, a bright sunflower grows. Color the petals.

Reuse this paper. Draw your own bright flower on the other side of this page.
